BROOKFIELD Scorton, Nr Garstang is a unique development of four and five bedroomed detached houses and spacious luxury apartments and the builders, Baxterhomes invite prospective buyers to visit the designer show home and apartment located at the centre of one of Lancashire's prettiest villages.

Just take the time to turn off the A6 just north of Garstang and you soon start to realize why the developer has chosen to describe Scorton as "A Decorus Locus Vivo" translated it means A Beautiful Place to Live.

Cross the River Wyre over the old stone Gubberford Bridge and turn left following the sign post for Scorton Millenium Way and follow the course of the River Wyre as it meanders round the village. As you approach the village from the South, you pass the charming village bowling green and the parish church.

As you enter the village centre, you cannot fail to be impressed by the sight of the pretty cottages all decked out in an array of floral displays. The charm of Scorton is matched by the essential elements of village life, the church (three to be exact), the school a shop and post office and last but not least the Priory Hotel which includes the "Stouts Inn" public bar.

To complete this idyllic picture there is easy access from the village to the scenic beauty of the open countryside and woodland of Grize Dale and the Trough of Bowland literally on the doorstep – Scorton Village a truly beautiful place in which to live.

PS For a limited period there are cash discounts of up to **£75,000** available to purchasers able to exchange contracts and complete the sale by the end of April.

Open to View – Weekdays 11 a.m. until 5 p.m. and Weekends 11 a.m. to 4 p.m. Closed Tuesday and Wednesday.
